EUROTECH ENCLOSURES - FORM-4 SERIES

Special Features

- ⤴ Enclosures are designed to allow panel extension on both ends to form 'L' or 'U' shape panels to suit electrical room layout.
- ⤴ Forms of separation: Form 2b & Form 4b.
- ⤴ Easy access for cabling, installation, & maintenance either from front or rear. Cabling can be through top and bottom.
- ⤴ Type 7 cable boxes and plinth are offered as optional items.
- ⤴ Modular design allows construction of cubicles in different sizes to suit project requirement.
- ⤴ Manufactured out of 2mm thick electrogalvanized steel sheets, folded / welded to attain rigidity of the cubicles.
- ⤴ Degree of protection up to IP-54.
- ⤴ Seven stage zinc phosphating pre-treatment followed by electrostatic polyester powder coating in RAL 7032 (other shades available as optional) for lasting corrosion resistance.
- ⤴ Convenient handling by available equipment (pallet trolley fork lift or hoist) with the help of eye bolts and bolted wooden battens at the bottom.
- ⤴ Fully type tested (Tested rating 1000A, 1600A, 2500A, & 4000A) and ASTA certified.
- ⤴ ADDC Approved

EUROTECH has superior level of engineering competence in manufacturing metal enclosures for Low and Medium voltage Switchgear. It can very quickly respond to the highly demanding market.

With well qualified and experienced engineers and equipped with latest tailor made Design and Engineering software and most modern state of the art manufacturing machinery like CNC Punch Presses, CNC Pressbrakes, welding machines **EUROTECH** can offer products which are consistent in quality giving full reliability to the customer.

EUROTECH Products are made of Electro Galvanised Steel sheets, Aluminium and Stainless steel.

To withstand the highly corrosive, hot, humid and salt laden atmospheric conditions, **EUROTECH** plant is equipped with conveyerised, 7 stage spray zinc phosphating pretreatment process combined with automatic electrostatic polyester powder coating ensuring the durability of its products.

In a nutshell, Eurotech offers value for money to the customer in UAE which is vouched by prestigious clients.
