

QHSE TRAININGS

In identifying effective means of passing the importance of achieving customer satisfaction, prevention of accidents/ill health caused by work and pollution prevention, we are convinced that **TRAINING** is a key essential element that will guarantee attainment of set goals/objectives.

It is for this reason that relevant QHSE Trainings are continuously conducted whether internally by the QHSE Dept. or by external party.

QHSE Induction Training

HSE Training for Staff

Mass HSE Training in Construction Sites

QHSE Trainings conducted by External Parties
